

How To Make A Pup-sicle!

Time Required

- 15 minutes to prep
- 2 - 4 hours to freeze

Supplies Needed

- Ice-cube tray OR small freezer-safe pet food container
- Spatula or spoon
- Low-sodium broth (beef or chicken - considering any pet allergies)
- Pet kibble
- Water

Instructions

1. Put a small layer of kibble to cover the bottom of the bowl
2. Fill bowl with a 1/4 cup of broth
3. Fill the remainder of bowl with water
4. Put in freezer to freeze overnight
