

Frozen Peanut Butter Dog Treats

Learn how to safely select the right peanut butter to make a fun frozen treat for your dog

Ingredients Needed

- 1 ripe banana
- 1 cup Yogurt (no sweeteners or flavours)
- 1/2 cup peanut butter

Supplies

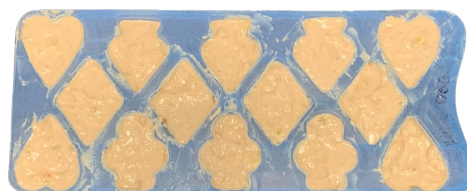

- Masher or forks
- Mixing spoons
- Mixing bowl
- Ice cube tray

Instructions

1. Mash the banana until it is as smooth as possible
2. Add the yogurt and peanut butter
3. Mix until well combined (smooth texture)
4. Fill your ice cube tray then tap the bottom on a table to knock out any air bubbles
5. Place tray of treats in freezer and freeze overnight
6. Remove from the tray and store in a freezer safe bag to keep fresh longer (we recommend consuming treats within 90 days)
7. Share with your dog as a treat!

Time Required

- 20 minutes to prep
- 4 hours to freeze

Peanut Butter Pet Safety Tips

When picking your P.B.

- NO artificial sweeteners,
 Xylitol is highly toxic to dogs
- Choose the least ingredients possible (all natural or peanuts only is best)

Make sure to...

- always give in moderation, as a treat and not a meal.
- alternate with healthier options to prevent obesity or other illnesses.
- ask your vet if peanut butter is a good option for your dog.
